

Happy New Year from all of us at InGear Swim Holiday Club!

We're excited to welcome families to our Holiday Club under new ownership, with a continued focus on creating a fun, supportive, and enriching environment for children but still run by the same brilliant team you know and trust.

You'll see the familiar faces of **Chris, Millie, Craig, Henry, Caron, and Lucy** — all bringing energy, experience, and fun into every day. You can be confident that your children are supported by adults who are passionate about building confidence, encouraging teamwork, and making every day enjoyable. Parents can feel reassured that strong safeguarding, clear routines, and high standards remain at the heart of everything we do.

What Makes Our Holiday Club Different? Simple: *daily swimming*

Children take part in 1.5 hours of fun swim every day, making swimming a core part of the Holiday Club experience. These sessions are designed to be fun and engaging, while also playing a key role in:

- Build water confidence
- Developing stamina and endurance
- Supporting progress between structured swimming lessons
- Helping children feel relaxed, capable, and confident in the water

Regular swimming helps children naturally build resilience and confidence, which has a positive impact on both their enjoyment and progression in lessons.

 **More than just swimming:** Alongside the daily fun swim, our Holiday Club offers a varied and balanced programme to keep children active, creative, and engaged throughout the day, including:

- Multi-sports activities to promote fitness, coordination, and healthy competition
- Team-building games and challenges that encourage cooperation, communication, and friendship
- Arts and crafts sessions that give children time to be creative, expressive, and calm
- Plenty of opportunities for social interaction, fun, and confidence building

It's a full, balanced day — mixing fun, movement, creativity, and calm.

With a new chapter underway, a strong and familiar team and a programme built around daily swimming, multi-sports, team-building, and creative activities, we're proud to offer a Holiday Club where children can thrive, grow in confidence, and have lots of fun along the way.

Great staff. Brilliant kids. A place to grow, play, and thrive.

We can't wait to welcome your family back. Let's make 2026 our best splash yet.
