Friday 2nd September 2022

Dear Parents and Carers

Happy Holidays

I hope you and your children have all had super summer holidays. Thank you all for your kind words, cards and presents as we left for the summer.

We are looking forward to seeing you and your children on Tuesday 3rd September.

We have been busy planning events for the full year. Once we have agreed all the dates in our training day, I will send you a year's plan for your diaries in our first week back.

Uniform

We are holding more nearly new uniform sales in the hall on Wednesday 28th August and Friday 30th August 10-11:30 am. We have washed and sorted any of our spare uniform. We will ask for a contribution only. In these days of rising costs it is more important that we can save you money and also look after the environment saving landfill.

Start of Day Time

Children from Reception to Year 6 please arrive for 8:45am. If you arrive earlier than this, please supervise your child's play, especially if they are on our trim trails. Please play in the main playground until 8:45 as Early Years and Silver Birch may have set up activities in these area. If your child comes to school unaccompanied, please do not let them set off too early as we cannot guarantee any supervision.

A bell will be rung at 8:45 and we would like children to line up outside their classes where a member of staff will greet them.

Reception Maple Class	In Early Years play area
Year 1 Silver Birch Class	Parallel to the stage
Year 2 Willow Class	By the railings leading to the bike store
Year 3 Beech Class	Looking at the door to the left
Year 4 Rowan Class	Looking at the door to the right
Year 5 Elm Class	Bottom of the playground alongside the magic garden fence
Year 6 Oak Class	Bottom of the playground next to the field

Nursery pupils will still arrive at 9am as usual.

Bikes

We encourage children to scoot and bike to school and hopefully you have been enjoying our new covered bike shelter and new scooter pods. Please ensure your child wears a helmet with their bike. Please do not let your child ride their bike or scooter in the school grounds. Even our smallest pupils on balance bikes can be a danger to others as they can be super speedy. Thank you for your help with this.

School Works

We have been busy over the summer with some internal painting and repairs as well as our green roof being fitted. Here are a couple of pictures for now. I have been promised some drone videos that I will hopefully share with you soon.

I am looking forward to seeing you soon on Tuesday 3rd September. Until then, please enjoy the rest of your holidays.

Best wishes

Elsbeth Warren
