

Dear Parents/Carers,

Ashfield Primary School is proud to be working towards the Red Kite Alliance’s ‘Respect, Equality and Diversity’ (RED) award. We are committed to the continuous improvement in Equality, Diversity and Inclusion at our school as we review, celebrate and strengthen our provision. Engagement with the award signals a clear commitment to place this agenda at the heart of the life and work of our school.

Phase One	An initial assessment leading to an action plan. Once completed, a ‘Certificate of Commitment awarded.’
Phase Two and Three	Ashfield works towards completing the actions on the plan over the following two years. Once completed, overall accreditation is awarded.

We are thrilled to be taking part in this exciting opportunity for our school as it will enable us to celebrate all the wonderful work already in place whilst also developing and exploring our focus on equality and diversity going forward.

We will continue to share updates on our journey with the Red Award over the next academic year.

Thank you for your continued support.
